---

To prepare for the State of Minnesota's new medical marijuana program, the City of Bloomington has drafted an ordinance creating a municipal licensing program and zoning standards for medical marijuana distribution facilities. We would appreciate your feedback on the attached draft. Also attached is a recent staff report summarizing the ordinance.

Please review the materials and send any written comments or feedback on the draft ordinance to Elizabeth Heyman, [eheyman@bloomingtonMN.gov](mailto:eheyman@bloomingtonMN.gov), a member of our City's Planning Division staff. Or, if you would prefer to meet in person with City staff to discuss the draft ordinance, please contact Elizabeth to coordinate a meeting time.

Please share your comments with us by August, 3, 2015. After this comment period, the City will present a final draft of the ordinance at two public hearings – one with the Planning Commission and a second with the City Council. Staff will recommend adoption of the ordinance and deletion of the associated moratorium at these hearings.

Please feel free to contact me at (952) 563-8923 or [gmarkegard@BloomingtonMN.gov](mailto:gmarkegard@BloomingtonMN.gov) with any questions regarding these next steps.

Sincerely,

**Glen Markegard, AICP | Planning Manager**
